

Parcel Receiving Service Centers for Canadian Customers

Save \$\$ on international shipping rates & broker fees by simply driving across border to pickup your order at a nearby Parcel Service Center in US along Canada border. All of these locations handle parcel packages (such as sauna accessories and smaller sauna parts) for a reasonable small handling fee. Many also handle palletized orders (sauna kits, sauna stoves, sauna doors, etc.) for slightly higher handling fee. Some require an account before using, so please call the location to learn details before having order shipped there if you have not used that location's services previously. Many locations as noted require a Kinek Account Number, of which is FREE to sign up for at www.kinek.com.

At time of ordering, let us know your preferred Parcel Service Center you would like us to ship to. Call toll-free to order 1-877-872-2806.

For our online shopping cart, set the 'Ship To' address to parcel center of your choice. Typically addressed to YOUR NAME at the street address of parcel center. We'll email you the tracking number for you to monitor and to see when your order arrives at the Parcel Center, ready for you to pickup.
